WELCOME TO GEN CON 2015

GEN CON

Welcome to Gen Con! Welcome to Indianapolis!
Welcome to the largest gathering of gamers in North America!

As the CEO and an owner of Gen Con, please let me extend both my personal greetings, as well as a "Hello!" from the hundreds of Indianapolis hospitality workers and service providers that have and will continue to make Gen Con 2015 a once-in-lifetime experience for all of you.

This wonderful blend of local hospitality and global passion for gaming has fostered a unique environment that supports more than 14,000 world-class events and the world's most prominent game companies, but also features terrific support from local Indy businesses and Hoosiers.

While Gen Con has more than doubled in size over the past ten years, it still remains a place where attendees can participate in intimate events where they can receive hours of focused attention. Friends gather yearly from around the world to converse, catch-up, and most importantly, game. We love to see both new faces, amazed by the giant spectacle of the show, as well as our friends, some of which are part of three generations of Gen Con attendees. That's right, we're seeing "Gen Con grandkids!"

I would like to thank the show sponsors, exhibitors, event organizers, local partners, and most importantly, our attendees. Thank you so much for your support.

Finally, I would like to thank our diligent and amazing volunteer staff. Without you, Gen Con would not be possible, and we appreciate your expertise and the dedication that you bring each year. Sadly this year Gen Con lost one of our beloved long-term volunteers, Mary Branum Erickson. Mary was a dedicated volunteer captain living in Phoenix, Arizona, and we will miss our beautiful gypsy sister dearly.

Thank you to Mary and all those that have devoted themselves to bringing joy to others at Gen Con!

For Gen Con 2015, let us enjoy each other's company, share laughs, try new experiences, and most importantly play some games.

Happy Gaming!

GEN CON BADGES

WHY DO I NEED A BADGE?

- Everyone attending Gen Con (excluding children ages 8 and under) must wear a valid Gen Con badge at all times for identification while in the convention center and surrounding hotels and during game play/events.
- A badge will allow you admittance into the Exhibit Hall, Art Show, Anime events, seminars, and other events happening in public areas during the convention.
- It is also needed to purchase tickets for events you wish to participate in.
- Badges must be visible at all times to assure staff and security of your eligibility to participate in the show. (Gen Con does not offer parent badges, shopper badges, or other types of limited-access, discounted badges).

REGULAR BADGE PRICING*

- 4-Day badge - $90
- 1-Day badge (Thursday, Friday, or Saturday) - $55
- Family Fun badge (Sunday) - $35/ family of four

* There is a 10% admissions tax for all badge purchases, in compliance with Marion County laws.

CHILDREN 8 & UNDER

- Children ages 8-and-under are admitted for free when accompanied by an attending adult. They are not required to have a badge unless they will participate in an event that requires an event ticket.
- They must be registered at either the Badge Registration or Customer Service kiosks. Registering your child provides our Security Team with contact information in case you and your child become separated.
- All children must be accompanied at all times by a Parent or Guardian with a valid badge.
- Children ages 9-and-above are subject to standard badge pricing.

REGISTRATION POLICIES

**For onsite refunds or exchanges, please visit the Customer Service kiosks.*

BADGE REFUNDS/EXCHANGES

- The last day to receive a badge refund was June 14, 2015. *Badges are non-refundable and non-transferrable after the deadline.*
- If you want to exchange badge types, you may do so at the Customer Service kiosks. A single-day badge can be upgraded to a 4-Day badge only if the single-day badge is current. In order to exchange a current badge for a different single day badge onsite, you must do so a minimum of one day before your badge is valid.
- A valid government-issued photo ID and a Gen Con 2015 badge are required to process any type of badge or ticket exchange onsite, and the exchange will only be processed for the person whose name is on the badge being returned.

EVENT TICKET REFUNDS/EXCHANGES/CANCELLATIONS

- **Event-specific ticket refunds/exchanges must be requested at least 30 minutes prior to the start of the event.**
- All refunds will be managed at the Customer Service kiosks and will be refunded to the purchaser. All ticket refunds are subject to a 5% administrative fee for the total sum of tickets refunded.
- A valid government-issued photo ID and a Gen Con 2015 badge are required to process any type of ticket refund or exchange. All refunds will be credited back in the original form of payment.
- If an event has been cancelled, please see a nearby Event HQ for further instructions. **No refunds will be given for cancelled events without a stamp or signature from the area's Event HQ.**
- The last day to receive a ticket refund is 4 pm on the Sunday of the convention.

GENERIC TICKET REFUNDS

- **Generic tickets are only refunded to system credit. There is no cash or credit card refund for generic tickets.** System credit is non-refundable, non-transferrable, does not expire, and can be used to purchase badges or tickets for any future Gen Con. *All ticket refunds are subject to a 5% administrative fee for the total sum of tickets refunded.*
- Ticket refunds will be managed at the Customer Service kiosks and will only be refunded to the purchaser.
- A valid government-issued photo ID and a Gen Con 2015 badge are required to process any type of ticket refund onsite.
- **The last day to receive a generic ticket system credit refund is the Sunday of the convention, no later than 4 pm.**

LOST OR MISPLACED BADGES & EVENT TICKETS

- Gen Con cannot replace lost, stolen, or forgotten badges or event tickets. Lost, stolen, or forgotten items must be repurchased at full cost.
- It is recommended you check with the Gen Con Show Office in ICC Room 112 to see if your materials have been turned in to Lost & Found before buying new materials.
- Gen Con LLC assumes no responsibility for lost, stolen, or forgotten materials.
- To repurchase your items, go to the Customer Service kiosks in the Main Registration area.
- If your shipment is confirmed to be lost by the USPS we will replace your convention materials at no cost to you. We cannot replace items that have been delivered.

EVENT TICKETS

WHY DO I NEED EVENT TICKETS?

- An event ticket confirms a spot to participate in a game or event that is scheduled during the show. Participants may purchase tickets for a specific event or buy generic tickets which are used more like carnival tokens for admission fees associated with an event. The drawback to purchasing generic tickets is that they do not guarantee admission or the ability to play a game if the event sells out.

EVENT TICKET PRICING

- Most events are priced based on their duration: $2 for every increment of 2 hours. Some event organizers may charge more for special events or to cover the cost of supplies and prizes, but prices are always in $2 increments.
- Tickets must be purchased from a Gen Con registration kiosk, not from event organizers.
- **Never pay an event organizer or GM directly for an event** – you must purchase an event ticket first.
- Generic tickets are sold in $2 denominations. Generic tickets may be used like carnival tokens to pay admission fees associated with a specific event. For example, if you wish to participate in an event costing $4, you could pay for the event with two generic tickets (valued at $2 each). *Cash will not be accepted at any events.*
- *Any unused generic tickets can only be refunded for system credit and must be turned in to the Customer Service kiosks onsite before 4 pm on the Sunday of the convention.*

REGISTRATION & CUSTOMER SERVICE

WHAT IS REGISTRATION?

- Registration covers all processes associated with attending the convention, buying badges and event tickets, picking up badges and any customer service or special services needs.
- The "Main Registration" kiosks are located in the convention center's Wabash-East Concourse near the Maryland Street entrance. There are also a few remote Event Registration sites located in Hall F, Hall B, and the Marriott (Indianapolis Marriott Downtown, 350 West Maryland Street).

Each service area is clearly marked for your convenience and is broken down as follows:

BADGE REGISTRATION

- Purchase 4-Day, single day, and Family Fun Day badges here as well as register your young child(ren) for child wrist bands.

EVENT REGISTRATION

- Purchase your event tickets here.

CUSTOMER SERVICE

- Direct refund and exchange requests or questions regarding the convention or show policies here.
- Refunds or exchanges will *only* be processed at the Customer Service kiosks.

- All refunds will be issued back to the purchaser of the original ticket(s).

SPECIAL SERVICES

- This kiosk is located next to the Customer Service kiosks. Disabled patrons may use this kiosk for their one-stop registration needs. Will Call pickup, badge and event ticket purchases, and refunds or exchanges can all be made at this location. Customer Service will also have special wristbands to alert staff and event team members that the bearer may need additional assistance (i.e. limited waiting in line, etc.). A wristband is required in order to receive special assistance.
- Parents may also use this kiosk if they have already purchased a badge but need to obtain a child wristband.

WILL CALL

- If you have purchased a badge or event tickets during Pre-Registration and selected Will Call as your shipping method (or if you purchased items online after Pre-Registration closed), you may obtain your items here.
- You will need to present a valid government-issued photo ID in order to obtain your packet.
- Small children with no photo ID must be accompanied by a parent or guardian with a valid ID in order to pick up their packet.
- On Wednesday/Thursday, the Will Call line may be long, but don't be discouraged, it moves very quickly! The busiest time and the longest wait times will be Thursday am. Take advantage of 24-hour Will Call that opens on Wednesday at noon!

INDY WELCOME!

VISIT Indy

July 30 – Aug. 2, 2015

Greetings!

Welcome to Gen Con, "The Best Four Days in Gaming!" This is the 13th consecutive year Gen Con is being held in Indy and it's an event the Visit Indy team and our entire community look forward to all year long.

If you're one of the tens of thousands of gaming veterans returning to Indy, you know all about "Hoosier Hospitality" and the fact that our city is open, welcoming, and inclusive to all. If this is your first time visiting, we're glad to have you! Each and every gamer is not only welcomed here but appreciated.

Should you have time to squeeze in a quick bite to eat or a museum visit between the 14,000+ scheduled events, here are a few ideas:

Downtown Indy is home to six vibrant Cultural Districts all with distinct personalities. New additions to Mass Ave include Mimi Blue Meatballs and the French Cropichon et Bidibule. Historic Fletcher Place and Fountain Square neighborhoods are also thriving, with new hotspots like Milktooth, Hotel Tango Whiskey Artisan Distillery, and Wildwood Market. And the Wholesale District downtown now offers Georgia Reese's southern cooking and Chef JJ's Big Green Egg expertise.

It's easier than ever to reach these new restaurants and pubs, starting with Pacers Bikeshare which has expanded along the Indy Cultural Trail (the eight-mile urban greenway connecting our cultural districts, hotels, and major attractions). And the largest all-electric car share program in America has BlueIndy cars zipping around town, with rental stations near the Indiana Convention Center.

You'll also find blockbuster exhibits at our museums. Relive the California gold rush at *Gold! Riches and Ruin* at the Eiteljorg Museum. Rare concept cars are on display as *Dream Cars: Innovative Design, Visionary Ideas*, at the Indianapolis Museum of Art. And for kids and the kid in all of us, venture to *Hot Wheels: Race to Win* at the Children's Museum of Indianapolis.

However you choose to spend your time in Indy, know that our entire community is ready to serve you and ensure you really do have the best four days possible while you're here.

Warm Regards,

Leonard Hoops
President & CEO

The mission of Rio Grande Games is to promote the playing of games which offer the player choices. They first started thinking of Rio Grande Games because they believed in these kinds of family strategy games, which are based on offering players choices instead of asking them to rely on luck. They know such games were successful in Germany and wanted to make them available to people in the US. After some investigation, they decided to begin publishing English versions of these choice games so that English-speaking players could enjoy them. Rio Grande Games was launched to do just that.

Check out their hosted rooms #234-236 in the Indiana Convention Center. There you can play games, socialize, and enjoy time with friends and family! You can also find them online at: riograndegames.com

Incredible Expeditions, a 2014 Entrepreneurs' Avenue featured vendor, returns to Gen Con in 2015 – visit them at Voodoo Bunny's booth #1457

MARKETING FELLOWSHIP RECIPIENTS

Entrepreneurs' Avenue features small businesses joining Gen Con for the first time. Stop by and support these proud exhibitors as they unveil innovative new products for gamers of all types!

Each year, Gen Con awards merit-based Marketing Fellowships to six new exhibitors that will participate in Gen Con's popular Entrepreneurs' Avenue located in the Exhibit Hall.

As recipients, these companies enjoy a complimentary booth upgrade. Come sample their offerings and tell your fellow attendees where they can get their own shiny new games or awesome items!

Studio 6d6 is a 2,000 square foot workshop in Menasha, Wisconsin founded by artist Andy "Cosmo Joe" Watkins. Andy wanted to enjoy his gaming experiences and a big part of that required having a great table to play games on. Something large, beautiful, high quality, and with great conveniences like cup holders and dice trays. He had seen some home brew table solutions like using a table tennis table or a sheet of plywood, but he wanted something better. He had seen the really fancy tables at the big conventions, but didn't want the hefty price. So Andy set out to make his own table with a focus on the needs of the players and GMs. His table was a big hit and soon his friends and their friends wanted tables, too. And so Studio 6d6 was founded; by gamers for gamers.

Studio 6d6 tables feature individual compartments for each player, providing extended space without the need for expensive drawers and hinges. The center pedestal design allows ample legroom and additional storage. Priced so that every gamer can afford one with payments plans around $50/month, these tables are strong and durable, elegant and beautiful; come see them for yourself at their booth in the exhibit hall.

Entrepreneurs' Avenue Booth #2727

The Broken Token designs, creates, and sells accessories, boxes, and organizers for table top games. Their goal is to help you get your favorite games to the table faster, then stored away quickly so you can move on to the next. Their organizers are custom designed for optimum use of space within the game's retail box. When possible, they consolidate the space within the box to accommodate expansions.

They're licensed with many of your favorite game publishers, and are always working on the next product. They won't rest until every little baggie finds a new purpose in life. Customers not only say that set-up and clean-up are faster, but their favorite games are getting to the table more often, too. They call that a win-win-win situation! You've got games. They've got solutions. Let them organize your games and streamline your game night!

Entrepreneurs' Avenue Booth #2839

Warpo is thrilled to be a recipient of Gen Con's Marketing Fellowship 2015, and has put together a bunch of Cth-awesomeness for this year's show! Travel back in time with Warpo at their booth in the exhibit hall, chock full of 1981 retro goodness! Collect the free daily buttons, win prizes, and purchase Gen Con-exclusive Legends of Cthulhu action figures, including the new 12" Cthulhu! Find one of our Spawns of Cthulhu, or the mighty Cthulhu himself, walking the show floor to take the perfect SELFIE OF INSANITY.

Warpo has teamed up with Gen Con Co-Sponsor Paizo to present the Cthulhu All-Stars seminar (SEM1575079). Join Lovecraftian experts and insiders as they discuss the impact of H.P. Lovecraft on popular culture and their work. The panel will hold some fantastic surprises, prizes, and will culminate with a live séance when occult expert Brandon Hodge will attempt to entice Lovecraft himself to join the festivities!

Founded in 2013 by avid collectors and toy industry veterans Bryan Katzel, Eric LeFeber, and Tommy Baldwin, Warpo is *Making Yesterday's Toys*, high-quality collectible toys with an authentic retro look and feel. Warpo's debut product line, Legends of Cthulhu, launched with a Kickstarter in June 2014, and the company's future releases include action figures, plush, playsets, and more.

Entrepreneurs' Avenue Booth #2939

The Indie Game Alliance is a guild of more than 200 independent tabletop designers and publishers on six continents. IGA offers opportunities to its members that they might not be able to access on their own. The Alliance maintains a 150-member strong volunteer team that runs events at conventions and game stores, including demos and organized play events. IGA provides retail distribution services to its members and sells games at conventions, they also offer assistance with Kickstarter campaigns and fulfillment for members.

At Gen Con 2015, the Indie Game Alliance will sell games and distribute Kickstarter rewards from its booth, as well as host demos and signing events from its member designers. Look for IGA's events to try out the latest games from exciting new publishers – before they even make it to Kickstarter! If you have interest in joining the Alliance as a designer, publisher or volunteer, the "Introduction to the Indie Game Alliance" event will give you all the information you need.

Entrepreneurs' Avenue Booth #2827

Red Raven Games publishes exciting tabletop games, all produced and illustrated by Ryan Laukat. Since 2011, Ryan has shared his vibrant, imagined worlds through acclaimed titles that include City of Iron, The Ancient World, and the Eight-Minute Empire series. Ryan's games are published in more than 20 languages worldwide, standing out for their iconic beauty and memorable gameplay. In 2015, Red Raven Games will release two new titles: Artifacts, Inc., and Above and Below.

In Artifacts, Inc. players compete to grow the most famous archeology company in 1929. Untold wonders await within dangerous jungles, harsh deserts, and wind-swept mountains. Only the bravest will find fame and fortune.

Above and Below is a mash-up of town-building and storytelling where up to four friends compete to build the best village above and below ground. In the game, players send their villagers to perform jobs like exploring, harvesting resources, and constructing houses. A great cavern lies below the surface, ready to be explored— this is where the storytelling comes in. When a player sends a group of villagers to explore the depths, another player reads what happens from a book of paragraphs packed with stories of amazing adventure.

Entrepreneurs' Avenue Booth #2927

Tuesday Knight Games is the creator of Two Rooms and a Boom! It's the party game of hidden roles that is ranked #4 game OF ALL TIME by Shut Up and Sit Down. A single game with 6-to-30 players can be played within 15 minutes. There are more than 70 unique characters in the base game, so all players can have their own unique role to play. No moderator is necessary. And unlike any other hidden role game, players can actually share their cards with other players to prove their loyalty. It's a game in which people make (and sometimes blow up) friends, not enemies.

Two Rooms and a Boom! is a social game of hidden roles like none other. Players are divided into two different rooms. Find your teammates, establish trust, and exchange players before time runs out! It's the party game that is always a blast! If you like party games like Werewolf or Mafia, then you'll love Two Rooms and a Boom!

A beloved member of the Gen Con family, Mary Branum Erickson passed away in June. She was Gen Con's resident Gypsy Tarot Card Reader, a dedicated Capitan volunteer, all around goddess and much-loved family member to all who had the pleasure of knowing her. 40 Years

The Julian Center

Saving Lives! Changing Lives!

The story of The Julian Center is one of passion and compassion since they began in the 1970's as a small group of individuals dedicated to helping women in crisis. From that humble beginning, they have grown into a groundbreaking and nationally recognized multi-service facility that meets the needs of sexual assault and domestic violence victims throughout Indiana.

The Julian Center seeks to permanently end the cycle of domestic violence. They touch the lives of more than 6,500 people each year including many children. Half of the children they protect are age 5 or younger.

For many, The Julian Center is their first step towards a new life. Traditional services such as a shelter and counseling are combined with innovative programs such as a food pantry, thrift store, art therapy and transitional housing. Victims find empowerment, healing and the voice to speak out for justice through this type of critical support.

For more information about the important work they do visit their website at: www.juliancenter.org.

I love the Julian Center because the school is great and I like the toys they give us. Also I am safer when I'm here...

(Thank you note from child supported by The Julian Center)

DON'T LEAVE SAFETY UP TO A ROLL OF THE DICE!

For many families, day-to-day survival is like a game they have to play with constantly shifting rules and unstable environments. Join **The Julian Center** as they support hundreds of individuals every day in their real life quests to battle for a new life. Add the destination of a safer tomorrow to the struggle of those dealing with domestic violence.

the diana jones award
FOR EXCELLENCE IN GAMING

For the 15th consecutive year, the Diana Jones Award for Excellence in Gaming celebrates everything that's best about gaming. That can mean a game system or supplement, a magazine, a company, a designer, an event or convention, or any other entity that shows gaming at its absolute zenith.

During the months before the show, the Diana Jones Award Committee — a mostly anonymous group of gaming alumni and illuminati from around the world — begins discussions about the best and brightest from adventure gaming in the previous year. After much playtesting, discussion, and voting, the committee's nominations are whittled down to a shortlist, which is the start of more discussion and voting until a single winner is declared.

At a private event held the Wednesday before Gen Con begins, winners receive the traveling Diana Jones Award trophy, a perspex pyramid containing the burnt remains of the last unsold copy of TSR's *Indiana Jones RPG* from 1984. To find out why the trophy takes this unusual form, visit DianaJonesAward.org.

The award was set up in the year 2000, with the first trophy given out at Gen Con 2001. The winners so far are:

2000: Peter Adkison, founder of Wizards of the Coast (now owner of Gen Con LLC and Hostile Work Environment)
2001: Ron Edwards and his self-published RPG *Sorcerer*
2002: Joint award: Jordan Weisman (FASA, WizKids) and ***Nobilis*** RPG
2003: *My Life with Master* by Paul Czege, from Half-Meme Press
2004: *Ticket to Ride* by Alan R. Moon, from Days of Wonder
2005: Irish Game Convention Charity Auctions
2006: *The Great Pendragon Campaign* by Greg Stafford
2007: Joint award: ***Grey Ranks*** RPG and **Wolfgang Baur**
2008: *Dominion* by Donald X. Vaccarino, from Rio Grande Games
2009: BoardGameGeek.com, edited by Scott Alden and Derk Solko
2010: *Fiasco* by Jason Morningstar, from Bully Pulpit Games
2011: *Nordic Larp* by Jaakko Stenros and Markus Montola
2012: *TableTop* by Wil Wheaton, from Geek & Sundry

37 ZOMBIES

37 Zombies runs an eclectic assortment of roleplaying game sessions, often with a horror or humorous focus (or both!). Although zombies tend to be a theme in their games, they are not limited to the tropes of stumbling undead and desperate survivors! This year, they also feature Ferengi from Star Trek, historic Paris, and a corporate retreat gone horribly wrong. Their games are plot-and-character-focused, sometimes over-the-top, and always engaging. 37 Zombies GMs will never let a rules dispute stand in the way of a good story.

ABLE KOMPANIE

Come play an exciting game of company level Combat in WW2. Their Events offer two different ways to get into the game. Play in one of the six Stalingrad event games, where they provide everything you need including GMs to take you through the game. Choose the desperate Soviet forces fighting for the Motherland or the veteran German forces as they fight to hold the ground they have gained. For the more experienced player, bring your own army to match up against other players from across the world in one of their three single day tournaments on beautiful terrain boards covering all fronts of the war.

AERODROME

A simple, easy-to-learn, fun-to-play table-top game of aerial combat in World War I. With simple yet elegant rules, players "fly" colorful models of WWI aircraft in 1/72 scale, using wooden cockpit control panels to determine maneuvers with telescoping poles to simulate multiple altitude levels. Beautiful awards and colorful cards given out each round for kills, surviving the battle as well as great game play. Join the hundreds of pilots who have grown to love the fun and banter of this WWI air-combat tabletop game.

BALDMAN GAMES

What is Baldman Games? They are those mysterious bald men who wander the shadows of your favorite shows. But why are some more bald than others? And why are many of them women? And how do you become one of them? Baldman Games is the premiere event organizer for Wizards of the Coast and Dungeons & Dragons. This means when you have a great time playing D&D at shows such as Gen Con, Origins, Winter Fantasy, or one of the PAXs, odds are Baldman Games was involved. Baldman Games is excited to be a sponsor of Gen Con 2015, and we cannot wait to show you all the fun things we have in store this year. For Gen Con 2015, Baldman Games is offering official Adventurers League D&D play, including the Season 2 and Season 3 Epics, the D&D All-Access program, and a D&D Learn-to-Play program.

Board Gaming events are introductory or relaxed tournaments that are specifically tied to persons comfortable with gaming but may not be experts on a particular title. Game Base 7 is pleased to have increased offerings in large board events in role playing, board game and miniatures.

GAME SALUTE

Love to play games? So do they! Game Salute Ambassadors are excited and ready to guide you through dozens of awesome events. Come learn something new or expand one of your favorite games. This year, they are pleased to introduce two exciting new types of events for all our fans! HEX GAMES

Hex Games produces QAGS, an easy-to-learn game of cinematic action for people who want to role-play, not spend hours making a character. QAGS is about interesting characters sharing an uncommon world, not higher math and dice fetishism. This year, you can take on the role of a magical hobo saving 1930s America in the Ennie Award-winning *Hobomancer*, a 1960s super-powered super-spy in *Sex, Lies, and Ultraspies*, or a happy romping pony that shoots lasers from its eyes in *Laser Ponies*. And that's just a small sampling of the things Hex has going on this year. Hex Games will be glad to welcome you to our vision of gaming in the JW Marriot, Room 207.

THE INDIE GAME DEVELOPER NETWORK

The Indie Game Developer Network (IGDN) is a group of independent game companies, working together to bring the best new and exciting play experiences to you. Come to their exclusive game room in the Marriott and get in on the latest indie games run by dedicated GMs and the designers themselves! No matter what your taste in RPGs, there is bound to be something to suit you, from kid-friendly events from Third Eye Games to adult-oriented horror in *Chill 3rd Edition*, and everything in between. Whether you like sci-fi, fantasy, steampunk, horror, or making the world up as you go; meeting and chatting up the game designers or just playing a 2-hour, 4-hour, or even multi-day game; the IGDN Game Room has the games you're looking for!

INFINITE IMAGINATIONS INC.

III has been running events at Gen Con for more than 30 years with a focus falling squarely on the enjoyment of their players. They run more than 100 events covering everything from seminars, board and card games, trivia contests and game shows, to RPGs and LARPs. Spanning every genre, including science fiction, fantasy, comedy, horror and superhero, III has something for gamers of all ages! Many of their games stress roleplaying over the system, letting dice take a back seat to creativity and drawing the players into the story. New events this year include the RPG two-round tournament "Superhero Chronicles: The Adventure Begins" detailing the rise of superpowers in the world, and "Adrift", a LARP about the stresses of survivors trapped in an escape pod.

INDY BREW BUS

Indy Brew Bus is a fun way to visit multiple craft breweries in downtown Indianapolis. Each brewery offers a wide variety of samples of their house, seasonal, and specialty beers. Each tour will visit four Indiana craft breweries. Passengers receive at least three samples of beer at each brewery and are encouraged to purchase growlers to bring back on the bus! Each passenger will receive a personal sampling scorecard to help keep track of beers he or she likes. Come taste what is uniquely Indianapolis!

IRON GM

GMs, think you're the best in the world? Prove it! Take an hour to weave adventure from three secret story elements, then amaze players with the game of their lives. Triumph over past champions. Out-game the **Iron Contenders** - GMs victorious at semifinals across the nation. Share a prize chest worth thousands just for competing, but only the top three win big–and only one earns the *Iron GM* title. Become the world's next *Iron GM*!

PLAYERS, the world's most hardcore GMs are on a mission to deliver the game of your life! Play at the Iron GM Championship and help pick the best GM in the world. Competitors take three mystery elements and improvise gaming brilliance. Rub elbows with industry celebs and stunning models. Win prizes just for showing up. Don't miss the event of the year! Decide who's a contender and who's a pretender – decide who is IRON!

KETTLE OF FISH PRODUCTIONS

Kettle of Fish Productions returns to Gen Con in 2015 with another collection of unique live action role-playing events to lift your spirits, chill your souls, and unleash the hero within! They've got everything from light fantasy to dark space opera, from tragedy to comedy, from classic game settings to original worlds unlike any you've played in before! This year they're thrilled to offer Gen Con attendees five days of non-stop live-action adventure!

MANTIC GAMES

Mantic Games is proud to host tournaments of three of their most popular games. Kings of War is our fantasy based mass battle game. Two generals face off on the field of battle and lead their armies to victory or defeat. Hordes of Orks and battalions of Angels are yours to command. Deadzone is our Sci-Fi based skirmish game. Each player commands a squad of either human Enforcers, a host of Plague or a squad of Ork Commandos. Each side finds itself attempting to complete a random mission. Dreadball is Mantic's future sports game of the future. Hyperkinetic and fast, coach your team to victory, and claim the coveted Blaine trophy.

MONTE COOK GAMES

Come play Numenera and The Strange, and check out the Cypher System engine that drives these narrative RPGs along with the new Cypher System Rulebook, premiering here at Gen Con. The award-winning Cypher System is an elegant, flexible, and powerful rules set created by one of gaming's most illustrious designers, Monte Cook. Numenera is set a billion years in Earth's future, where the people of the Ninth World live among the remains of unimaginably advanced previous civilizations. In The Strange, characters explore the recursions around our world—limited dimensions based on the myths and fiction of humanity—and defend Earth from the dangers leaking into our world.

MU SKULLS

Let's be clear. The house seemed abandoned when you went in. The white, worn wooden siding only supported that fact. No one would have stopped you from opening the door. Then you see it. Bound in strange leather, it bares faded, black writing. MU SKULLS. Your hand reaches out, only to be pulled back in terror, fear, and horror. Without opening the cover, somehow you know what's inside. Within lies the tales of adventures, of investigators, or those that have come before you. There are legends of Middle Earth, of a bleak future lost in time and space, of the Roaring Twenties, and of The Great War and other wars to come. Accounts of Insanity, of the Macabre, of Horror, and even Madness. Sagas that take you from the deck of the Titanic, to the dance halls of the Moulin Rouge. Welcome to the world of the MU Skulls.

NOVUS ORDO SECLORUM

Novus Ordo Seclorum is one of the oldest groups continually running *Call of Cthulhu* events at Gen Con, dating back to 1985. Their events tend to be theatrical and make full use of our private event spaces with lighting, music, sound effects and/or props. *You Too Can Cthulhu* focuses on new players, but pleases old pros as well. The *Cthulhu Masters Tournament* is one of the few three-round tournaments at Gen Con and allows you to compete for the coveted Mi-Go brain case. The *Novus Ordo Seclorum* tournament is geared to more mature and off-beat themes. Their events sell out, but rounds often will have room for generic ticket holders, so please stop by! We stress role-playing over rules in all of our events, so don't be afraid… until the event starts that is…

Zimby Mojo. You are the all-powerful shaman of a tribe of vicious, unruly, cannibalistic zimbies. Your plan is simple: your zimbies will work cooperatively with the other zimby tribes to kill the Cannibal King, then turn on them and steal the King's crown so that you may become the new Cannibal King. Of course, that's also every other shaman's plan…

MECH DEFENSE
SIEGE OF KELMOTA

Mech Defense is a cooperative strategy game where a group of 4 players pilot 20 ft. Mechs and rain down destruction on their foes. Inspired by Tower Defense and Legacy games, players fend off wave after wave of incoming enemies over 12 missions and permanently alter the battlefield with every explosive attack. The more you destroy, the more you get paid, but the stronger your foes become.

Game Knight STUDIO

To Rule Atlantis is a turn-based strategic tabletop game with dice troops and advantage cards used to secure the territories of Atlantis, gain power, and become the next ruler of Atlantis.

Assemble your Mermaid Army. March on Atlantean territories. Grow your power. Manage troop assignments. Gain special advantages. Drive to the heart of Atlantis. Capture the Crystal Trident. Rule Atlantis!

Goblin Toboggan is a strategic racing game for 2-6 players who navigate their way down a treacherous mountain using cards to manipulate the terrain and attack opponents. The player who can collect the most points while avoiding obstacles and out-running the avalanche will claim victory.

BEASTIES & BYGONES

Beasties & Bygones is an irreverent, theme-based RPG that gives you permission to go too far and features satirical, edgy social commentary with comedic overtones. There will be no titillating nudity, but there will be mature themes explored for comedic lampooning.

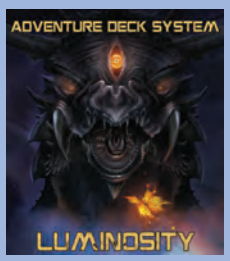
Chaos is rampant in the City of Centuria and all Towers are offline following the assassination of the city's leader. The government forces have splintered into rival factions each vying to control Centuria's four sectors: Business, Culture, Industry, and Security. **City Rising** is a strategy board game combining euro and light war game mechanics. Players build an economy with four forms of production that are vulnerable to opponent attack. Action cards and Professionals with special abilities protect your assets and expand your influence. Only one can lead Centuria. Will it be you?

PLAYTEST HALL

Ember: Shroud of the Shadow Demon combines strategy and luck to create an engaging and competitive match between players.

Players will take on the role of one of four heroes to collect the mysterious Ember Stones needed to defeat Ingduhl the Shadow Demon. Only the hero who collects the most Ember stones will be able to defeat the Shadow Demon and save the world from his shroud.

In a game where one player's success is another one's downfall, only the most devious and cunning of all will revel in victory.



Defend the galaxy from an ancient threat in this innovative RPG/deck-building hybrid. Adventure Deck System: **Luminosity** is an exciting, fast-paced, tactical RPG, set 200 years in the future. Each character has their own heroic deck, helping you and your friends to overcome the chaos of battle. Your deck grows as you do and helps define you as a unique character.

GANK! is a hybrid card/board game like no other. A satirical spin on popular multiplayer games such as League of Legends or DOTA, two players must assemble a team of three quirky and unique characters each with their own roles and functions to outwit and outplay their opponent. With 10 different characters and hundreds of unique combinations and synergies, there's virtually no end to the variety of ways to best your foe.

Your city is under siege by an invading enemy. It will take a year for reinforcements to arrive. Alone, you will surely fall to the hoard of invaders, or worse starve, but with help you may survive. Or you could always aid the invading enemy… **Siege Among Thieves** is a game of tough decisions where you keep your allies close, and your enemies closer. With limited resources available, you must decide the fate of those around you. This game is about YOUR survival.

Super-Hero role-playing game **The Hero Instant** features:

- Your character's personality traits at the core of game-play
- Cinematic super-heroic action
- Simple, yet deep character creation
- In-game character customization & improvement
- A novel time-keeping track and initiative mechanic

The Networks: TV From Public Access to Prime Time. You and your opponents are new television networks, and you need new programming. For this, you'll need Shows, Stars, and Ads. Some shows require Stars, others Ads, others both. Some Stars only want to be on certain shows. Some Ads only want to be on certain timeslots. And Shows will age and viewers will lose interest, so you will have to keep your lineup fresh by replacing your shows. Timing here is crucial. The player with the most viewers after five seasons wins!

The board game **NecroVirus™** is a zombie apocalypse game played by 2-6 players on a 2D or 3D board with miniature figures and vehicles, buildings, chits, cards and dice. It pits survivors in a wasted city against zombies, both of which are controlled by all of the players during the course of a game. Several missions depict rescue, last-man-standing, PvP, and vehicles making players utilize ever-changing strategies and tactics for a successful outcome. No two board layouts are the same nor are the outcomes predictable right to the very end of a mission!

Bring the whole family down to end the convention in full Gen Con style – by rolling comically huge dice!

ELECTRONIC GAMING
eBASH GAMING ZONE

eBash returns in 2015 with their PC, Xbox One, and Playstation 4 Gaming Zone. The zone opens first thing on Thursday and gives gamers the chance to play their favorite games, both casually and competitively, to win an exclusive eBash Gaming Zone 2015 Gen Con Championship Medal. Many of eBash's partners have given them codes and cards to give to players in the zone for exclusive in-game items or skins! The following games will be featured and potentially even more as sponsors and developers continue to join the eBash experience.

Forever Interactive are bringing their new game to Gen Con 2015 with tutorial sessions with the development team, casual events, and an invite-only tournament that will be great to watch and learn.

Visions of Zosimos is a game that combines a collectible card game and turn-based tactical tabletop wargame while also harnessing the social aspects of a massively multiplayer online game. The story brings players in as students of the mystic traditions of Hermetic Alchemy and Gnosticism; their actions will discover the hidden secrets of this world while battling for the fate of our universe.

eBash was contracted to build eight custom racing simulators for the Indianapolis Motor Speedway in 2013 and those will be available to race this year at Gen Con 2015! Stop by the eBash Gaming Zone for your chance to join the qualifying pools and race your way to the pole position. Just $2 will get you into a race against eight other live racers. Racers will be playing Dirt 2, so that both beginner and advanced racers will be able to enjoy the experience and fine tune their racing style. If you win the race, you move to the pole position and get to keep racing. Win 10 races in-a-row and take home one of the eBash Gaming Zone 2015 Gen Con Championship Medals!

Minecraft will be available for hourly play all weekend long. Play on a server with a replica of downtown Indianapolis with some amazing mods installed. Not only all day but Minecraft will be running as long as there are players in the zone. When everything else has shut down and you still have energy stop by to spend a few hours putting your mark on the Gen Con 2015 Minecraft server!

There is no question that League of Legends is one of the most popular and competitive PC games available. League of Legends registers tens of thousands of hours of game play at eBash stores monthly and a state-of-the-art stat tracking system will help find the best LoL players at Gen Con 2015.

If you are a recreational or a competitive player there will be something for you at the 24 Hour Game Zone sponsored by Alienware. Hourly play is available for only $8 and all of your stats will be tracked and points will be awarded using the LCS fantasy stats model.

The most popular event of our zone in 2014 with nearly 1000 players participating is the never-ending 5v5 random matches. As soon as 10 players register they are split into random teams for a full 5v5 official match. If a player manages to win 3 matches with random teammates they take home a Gen Con 2015 Championship Medal.

For organized and structured competition, check the scheduled 3v3 and 5v5 single elimination bracket events. Players can join and be placed on teams or request their teammates who also join.

This is eBash's first year of offering a fighting game on the new generation consoles at Gen Con and we can't wait to watch the action! Join one of our single elimination tournaments and find out if you have the skills to take home a Gen Con 2015 Championship Medal!

"FAST PASS" TIP!

Last year, many times the eBash area was completely full with a waiting line of generic ticket holders. This year, you can skip the line and buy a specific event hourly or competition ticket instead of using Gen Con generic tickets for a time slot that works with your schedule.

WHAT YOU SHOULD KNOW

- Have a question? Need help? Don't be afraid to ask Nexus Gaming Alliance staff members that will be on site. Just look for the branded NGA shirts.

- What if I don't see the game I want to play? Please ask a Nexus Gaming Alliance staff member for the full list of games. Games can be switched as consoles become available.
- No matter what day it is, you can always remember that NGA **opens at 9 am each morning**

GEN CON® INDUSTRY INSIDER GUEST OF HONOR

UNCLE DUKE SEIFRIED

Gen Con is excited to announce that the 2015 Industry Insider Guest of Honor is the master of miniatures!

If you were a gamer in the 1960s, chances are that you played miniatures wargames — roleplaying games and collectible card games hadn't been invented yet. At the heart of the wargaming scene, you would have found wargaming pioneer, "Uncle Duke" Seifried.

Still active at age 80, Duke is best known for his game "extravaganzas". Billed as "interactive museum displays you can play on," his collections of historical miniatures and dioramas are lovingly crafted, molded, and painted by the master craftsman himself.

Duke came to the fore in the hobby as a driving force behind several firms in the early pioneering days, namely: Der Kriegspielers, Custom Cast, Heritage USA., and TSR (*Dungeons & Dragons*).

Duke has been awarded the prestigious Scruby Award from the Historical Miniatures Gaming Society (HMGS). His theatrical game presentations inspired the "Duke Seifried Game Master of the Year Award." He has also been inducted into the HMGS Legion of Honor, where he serves as their commandant, and has been inducted into the Adventure Gaming Hall of Fame.

Duke can be found playing guitar with a swing band or spending time with his lovely wife, Annette, in their home town of Janesville, WI.

After a cheeky letter to WOTC, she found herself demo-ing games for them and writing bits and bobs for Nightfall Games. THE INVASION IS HERE!

JARL: THE VIKINGS TILE-LAYING GAME

In *Jarl: The Vikings Tile Laying Game*, players move their warriors (tiles) around the board and flip them over after each move. Each tile's side shows a different movement profile. If you end your movement in a square occupied by an opponent's tile, you capture that tile. Capture your opponent's Jarl to win!

POWERED BY: THE DUKE

VIKINGS: THE BOARD GAME

Vikings: The Board Game is A strategy game of exploration and raiding for 2-5 players based upon the hit History Channel series that allows players to embrace their inner Viking. Each winter players will scheme to acquire appropriate resources while convincing heroes such as Ragnar Lothbrok, Lagertha, Rollo and Floki to support them as they put their longships in the water to raid each summer. Plunder treasures and foreign resources across modular tiles that ensure a different game each time you play, while completing offerings to the Seer, will ultimately lead a player to victory!

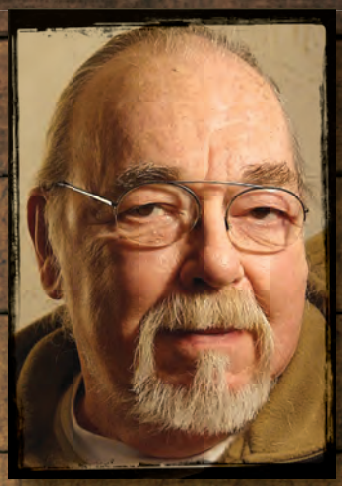
LIFETIME GUESTS OF HONOR

IN MEMORIAM

DAVE ARNESON
(1947 – 2009)



GARY GYGAX
(1938 – 2008)

MARGARET WEIS

Born and raised in Independence, Missouri, Margaret Weis attended the University of Missouri, graduating in 1970 with a BA degree in Literature and Creative Writing. In 1983, she moved to Lake Geneva, Wisconsin, to take a job as book editor at TSR, Inc., producers of the DUNGEONS & DRAGONS® role-playing game.

At TSR, Weis became part of the DRAGONLANCE® design team. Created by Tracy Hickman, the *Dragonlance* world has continued to intrigue fans of both the novel and the game for generations.

Weis is the author/co-author of several other New York Times best-selling series, including *Darksword*, *Rose of the Prophet*, *Star of the Guardians*, *The Deathgate Cycle*, and *Sovereign Stone*.

As the owner of Margaret Weis Productions, Ltd., she recently published the *Firefly* Role Playing Game featuring the award-winning *Cortex* game system. Weis also continues to write and co-authored the third book of her *Dragon Brigade* series, *The Seventh Sigil*, with Robert Krammes in 2014.

Margaret Weis can be found in the Exhibit Hall at her company's booth #1613.

TRACY HICKMAN

It was in 1981, between jobs and wanting to buy shoes for his children, that Tracy Hickman approached TSR about purchasing two game modules he had written with his wife, Laura. Rather than buying his modules outright, he was offered the job that led to his association with Margaret Weis and their first publication together: the *Dragonlance Chronicles.*

Since that time in 1985, they have jointly authored more than 40 books and numerous anthologies. Tracy's first two solo novels, *Requiem of Stars* and *The Immortals* were first published in the spring of 1996.

Tracy and Laura continue to write together as well, and their most recent book, *Upwept: Book One of the Nightbirds*, was released in 2014 as the first of a new trilogy.

Tracy joined *Ultima* luminary Richard Garriott's team in 2013 as lead story writer for the upcoming episodic MMORPG *Shroud of the Avatar.* He is also writing a prequel novel set in the same universe for Portalarium's *Underworld Ascendant*.

Tracy has attended every Gen Con since 1981. His 'Killer Breakfast' event results in the timely death of hundreds of freshly created PCs every year and has become an eagerly anticipated tradition each Gen Con weekend.

Tracy Hickman will be hosting the following events at this year's show.

- Hickman's Killer Breakfast 2015 (ENT15680912)
- Hickman's Killer Breakfast Commandos 2015 (ENT1568380)

LAUGH AND LEARN ALONG WITH OUR FEATURED PUPPETEERS!

GORDON SMUDER

His professional credits include costuming, toy design, special effects, prop and miniature building, authoring (both comics and teleplays), acting, puppetry, voice-acting, illustration, and producing a completely independent, award winning web show/nationally aired sitcom called Transylvania Television. Over the years, Gordon has provided many props for motion pictures including "Joe Somebody", "Mighty Ducks 3", "The Naked Man" and Kevin Smith's Grappler Gun in the film "Mall Rats". Retired from a 25 year career in the "special effects biz", Gordon now concentrates solely on his career of television puppetry. Yes...just like Jim Henson. Only not so dead.

You can see Gordon's puppet creations at www.thepuppetforge.com. This year at Gen Con, Gordon will be a part of *The State of Puppetry Today* and *The Future of Puppetry* as well as the emcee for the *Late Night Puppet Slam*!

And you are greatly encouraged to "like" the Puppet Forge page as well as the Transylvania Television page on Facebook.

STACEY GORDON

A co-director for Pulp Gamer Media, you'll know Stacey from the Mayfair Games' "Bob & Angus" show as news ewe Claire O'Brien. You'll see her with Claire around the convention, but she's also one of our principal performers at our Late Night Puppet Slam. If you want to learn from the best, be sure to check out her workshop – **Puppet Making with Stacey Gordon** – and make your own exciting and fun creation!

GEN CON Puzzle Hunt XIV

THE CROWDSOURCE OF ALL EVIL

Once again, it's the most wonderful time of the year – Gen Con!!!

Just a couple days ago, we came up with a brilliant new game we wanted to share with everyone at Gen Con. It has everything we've ever wanted in a game AND MORE! Dice, cards, minis, companion apps for your phone, sparkle kittens, laser sharks - basically, you name it we got it!

At any rate, having the best game ever with no money to make it doesn't help anybody, so we decided to put together a crowdfunding campaign to launch here at the convention to create the best game the world has ever seen, called Win, Don't Lose.

In our excitement and haste, we accidentally signed a contract with an evil crowdfunding site by accident: **TRICKSTARTER**

No biggie, right? Wrong.

We did a little digging and it turns out Trickstarter is just a front for Extra Vile International Lawbreakers LLC (EVIL LLC), and they use the money they get from Trickstarter campaigns to fund their nefarious plans worldwide. It was too late for us to back out of the campaign without forfeiting our gajillion-dollar idea and our lives, but we figured it wouldn't be a problem because if we didn't promote the game, it wouldn't make any money. Turns out we were very wrong, and people have been backing our campaign left and right. Luckily, we had a back-up plan in case something like that happened.

Here's how you can help stop EVIL LLC from using the money from Win, Don't Lose to take over the world:

All weekend long you can solve the puzzles we've hidden in the Trickstarter Reward Levels. If you find and solve all 18 of the puzzles, you'll be able to help us find a way to make our game less appealing so everyone will stop giving it money. The first Reward Level Puzzle is located on the next page.

After you solve each puzzle, write its answer on the appropriate line on the next page. If you solve the $1 Reward Level Puzzle and bring the correct answer to the Gen Con Hunt Puzzle Booth, you'll get an entry in a drawing for a 4-Day badge to Gen Con 2016!!! For every three additional puzzles, you'll earn an entry into the drawing. That's up to seven entries if you complete all of the puzzles! We will award five badges to the people who complete the final challenge the best, in the judges' eyes, by 3 pm on Sunday. We will award 15 more badges to names randomly drawn from our entry bucket!

SOLVE JUST ONE OF THE PUZZLES AND YOU COULD WIN A FREE 4–DAY BADGE TO GEN CON 2016!

You can check your answers, get entry slips for the drawing, and interact with some delightful people at the Gen Con Puzzle Hunt booth during the day.

ENTERTAINER SPOTLIGHT

Find yourself amused and delighted throughout the halls of Gen Con with roving performers as they enchant you with music, dance, comedy, and more! For more inspiration, visit them in the Entertainer Spotlight area in our Exhibit Hall!

CANYON SPELLS

Hailing from Nashville, TN, the members of Canyon Spells (formerly Daniel and the Lion), a nationally touring rock band, first became friends playing Halo, Magic: The Gathering and Dungeons & Dragons at a local hobby shop. Now they're bringing their music back to where it all began: Gen Con.

"Before we were even a band, I had written a song with all these MTG card names hidden in the lyrics,' says singer Jimmie Linville. 'It was just for fun, but people really seemed to like it, and when we played it for our friends at Gen Con, we got a ton of support and positive feedback. That support was crucial in the beginning."

Their music has come a long way from Magic card lyrics though, as they've now shared the stage with Counting Crows, PHOX, The Bodeans, Lucy Rose, Marc Broussard, and Toad the Wet Sprocket. Adam Duritz, of Counting Crows, tweeted of their most recent album, Death Head, "it's like suddenly remembering all these good things I never want to forget." Come see them perform as a six-piece at Gen Con, then game with them afterward!

APRYL KNIGHT

Once upon a time, Apryl Knight was a classically trained pianist…and then she discovered Renaissance festivals. Starting out on flute, and adding bowed psaltery, bodhran, pennywhistle, and hurdy gurdy to the mix, her motto is "Music from many times, and many lands, on WAY too many instruments!"

Having been a geek pretty much since birth, Gen Con seemed like the best next step in Apryl Knight's path to world domina…er, entertaining the masses. She thoroughly enjoyed her time last year, and hopes to have an even better time this year (though the instruments are still confused about this weird "air conditioning" phenomena.) She'll have both of her older CDs, "Allons-y! Time Traveler's Tunes" and "Rennies Of Unusual Sound", as well as her Shiny Brand New CD (featuring the hurdy gurdy!), "Dance The Knight Away."

Apryl will be at the Entertainer Spotlight Area when she's not playing in the halls, trying to figure out why "Greensleeves" is so much more popular at GenCon than the theme from "Doctor Who".

For more info, visit www.aprylknight.com, www.facebook.com/AprylKnightMusician, and twitter.com/apryl_knight.

IL TROUBADORE

Formed in May 2004, Il Troubadore was conceived first as a variety band designed for private parties and small venues. The name was chosen to reflect the early material – which included several Italian Bel Canto, operatic arias, and Irish and Scottish folk tunes. Robert Bruce Scott, a classically trained vocalist plays mandolin, Celtic harp and classical guitar. Jon Silpayamanant exercises his classical-training on the cello and also contributes to the singing. In 2007, Paul Radecki added his dumbek talents to the ensemble. Leonie Leduc added her clarinet, trumpet, and recorder skills to the mix in 2011.

The band quickly adapted to playing in larger clubs, adding rock, country, disco, jazz and folk covers from a broad variety of cultures as well as strong original material that blends heavy metal, classical and world music influences. Their Middle Eastern flair attracted attention from the Midwest's rapidly growing belly dance community. Now, local and regional dancers and musicians accompany Il Troubadore at many of their appearances.

With a growing list of more than 700 songs from 70+ countries and in 48 languages at their command, styles range from most euro-American pop genres (e.g. Heavy Metal, Disco, Country, and Rock); to world music folk (e.g. Irish, Scottish, Albanian, Bhangra); to Asian film and dance-drama music (e.g. India Bollywood, Chinese, Thai); to western art music (e.g. Italian bel canto, Classical, Jazz). The quartet is constantly adding new songs to their set lists, with songs in constructed languages (e.g. Klingon, Ewok, Huttese, Elvish) consisting of a significant proportion due to the groups' increasing performances at Sci-Fi/Fantasy conventions and related special events.

DAN THE BARD

Dan the Bard composes, records, and performs songs about Dragons…and the Dungeons in which they Dwell! He has 8 CDs, the most popular of which are his "Gamer Trilogy": *Manticores and Owlbears* (2009), *Bard Camp!* (2011) and *Epic Lute* (2014).

With a Master's Degree in Renaissance and Medieval Music, Dan sets his experiences of tabletop RPG's and general nerd culture to period music with period instruments! Dan has several shows at GENCON (check the schedule) and has also performed at GaryCon, ACEN, C2E2, WindyCon, DucKon, CODCON, and this fall will be at GameholeCon in Madison, WI.

He is also the Music Director of the Bristol Renaissance Faire where he has been performing for the last 20 years!

WATER STREET BRIDGE

Gentlemen, hold your hats upon your heads. Ladies, keep close your corsetry. Prepare yourself for the steam powered, funky, bluesy, pseudo-slavic, old timey, Americana, time-travelling antics of Water Street Bridge.

These veterans of stage and studio blend Celtic, blues, Americana, shanty, jazz, Creole, folk, art rock, reggae, comedy, and original songs into something that can only be described as "eclectic acoustic."

Brandishing an impressive arsenal of musical instruments (including guitar, resonator guitar, mandolin, ukulele, pennywhistle, squeeze box, flute, harmonica, bongos, doumbek, djembe, banjo, and bodhran - just to name a few) they bring new life to tales of old, old sounds to tales of today and twisted takes on tales never meant to be told. This AINT your mommas folk music! http://www.WaterStreetBridge.Band

MARC GUNN - THE CELTFATHER

Cats. Irish drinking songs. Science fiction. Nowhere else but from the bright imagination of Marc Gunn would those three elements be so neatly integrated. Yet Gunn, sometimes called "the hardest working man in Celtic music" around his hometown in Austin, is an accomplished musician, podcaster, and entrepreneur. In 2014, his recording of "Rising of the Moon" won Best Roots Traditional in Celtic Radio Music Awards. He continues to turn heads with his instrument of choice, the autoharp.

For Gunn, it started small, though not inauspiciously, wearing a kilt on campus at the University of Texas. As the autoharp-playing half of the Brobdingnagian Bards, Gunn and partner Andrew McKee developed a loyal following with weekly performances on campus. This quickly led to gigs at renaissance faires, science fiction conventions, and Celtic music festivals as well as parties and weddings for the pair.

When the Bards split up in 2008, Gunn moved to New Orleans then to Birmingham, Alabama where he began producing albums in overdrive, releasing 2-4 new solo albums per year on his own Mage Records label. His most-popular albums include *Irish Drinking Songs for Cat Lovers*, *Don't Go Drinking With Hobbits*, *Firefly Drinking Songs*, *Scottish Songs of Drinking & Rebellion*, and his latest release *Sci Fi Drinking Songs*. He has released over fifty albums on his label since its inception in 1999, nearly all of which feature Marc Gunn singing or playing the autoharp. In 2014, he launched a fan club on Patreon where he continues to release new songs to "Gunn Runners" as he writes and records them.

Gunn's activities are not restricted to musical performance alone. In 2005, he transformed his popular resource, the Celtic Music Magazine into a podcast. Irish & Celtic Music Podcast helped kick off the podcast revolution by "changing your world with Celtic music". His efforts were rewarded in 2009 and 2010 when he won Best Podsafe Music in the People's Choice Podcast Awards.

Gunn combines his love of travel with his love a music. He hosts Celtic Invasion Vacations which are different from standard vacation tours. His belief that it's the people around you who ultimately make a vacation great, Gunn finds a location abroad and gathers like-minded vacationers to experience his travel motto, "Good food, good drink, good company".

MARC GUNN'S EVENTS:

Marc will be hosting the following …

- Firefly Drinking Songs with Marc Gunn (ENT1568867)
- Irish Drinking Songs for Cat Lovers with Marc Gunn (ENT1568868)
- Sci Fi Drinking Songs with Marc Gunn (ENT1568869)
- Friday Night Live! (ENT1568870)

MAROONED

"These are the songs you'll sing softly through your tears as you find yourself shackled and hanging by your ankles in a Spanish prison…"
-- Bilgemunky Pirate Radio

Born on the Festival circuit in 1995, Marooned has grown into a multiple "Rennie" award-winning group that shows no sign of letting up. Having performed on land and sea, from one coast to the other, and with a career spanning decades, centuries, and even the millennia…they are just getting started. The beached buccaneer brethren of Marooned, the pirates from the desert, have performed at venues throughout the West Coast. Among their appearances are numerous pirate and renaissance festivals, an appearance for the A&E Network, and even a worldwide web-cast for Real Networks. Of course, their favorite port of call is returning home to Gen Con.

A mainstay of Gen Con atmosphere since 2004, the crew has released their last four albums and an EP here at the convention. Blending a mixture of pirate shanties, Irish music and a liberal dose of humor, Marooned has a sound that will get your toes tapping to some of your festival favorites. So whether you have time to stay for an entire performance, or stop to catch a chorus on your way to your next event, Marooned is a group you'll still remember long after the dice stop rolling.

Missed them in the halls? Stop by and see them in the dealer's hall at the Entertainment spotlight. Pick up a CD or just say ahoy. Free, piratical dice-blessings are available upon request.

DAMSELS OF DORKINGTON

The Damsels of Dorkington are here to usher in a new era of Dork Pride. They are three nerdalicious ladies and one dude in a dress who have come to bring you Nerdcore Improv: a blend of raucous comedy and geekery guaranteed to make you laugh, cry or vomit. Perhaps all three!!

ARTIST GUEST OF HONOR
TONY DITERLIZZI

Gen Con is excited to announce the 2015 Artist Guest of Honor **Tony DiTerlizzi.**

ABOUT TONY

DRAGONS, SPACE MONSTERS, GOBLINS, and insects—the characters that inhabit Tony DiTerlizzi's world haven't changed since he was a kid growing up in Florida.

In 1981, after watching *The Dark Crystal* and playing Dungeons & Dragons, 12-year-old Tony created a field guide on fantastical creatures. He would return to this premise many years later as the genesis for the multi-million bestselling chapter book series, *The Spiderwick Chronicles*.

Eleven years later, Tony began working for TSR where his art soon became synonymous with the *Planescape* RPG. Throughout the decade, he also freelanced with White Wolf Games and Wizards of the Coast, where he painted cards for Magic: The Gathering.

This year marks the release of *Realms: The Roleplaying Game Art of Tony DiTerlizzi* (published by Dark Horse Books) – a first-ever collection of fantastic art from the start of a fantastic career.

Tony lives in Amherst, Massachusetts, with his wife and daughter.

For more information about Tony, and to see more of his amazing works, visit his website - diterlizzi.com.

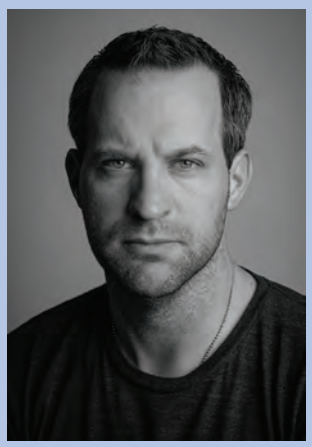
A GLIMPSE BEHIND THE CURTAIN

For Gen Con 2015, the Art Show adopted a new blind jury process for selecting artists. The Gen Con team is pleased to introduce the head of that jury – Ben Thompson.

ABOUT BEN



Ben Thompson is an industry veteran, whose roles and experiences have varied widely over the past 20 years.

He graduated from the Laguna College of Art and Design in 1996 and began teaching as a professor in the illustration departments of Cal State Long Beach and Mt. San Antonio Community College. During this time, he devoted many a weekend and sleepless night to creating freelance work for companies such as Wizards of the Coast, Upper Deck Entertainment, Alderac Entertainment Group, and many others.

Ben would later be invited by Keith Parkinson to become a concept artist for Sigil Games Online, where he would eventually take on the role of Assistant Art Director. Upon completion of the project, he accepted a position at Upper Deck Entertainment where he art directed the World of Warcraft trading card game for two years.

Currently, Ben is employed at Blizzard Entertainment where his role as art director on "Hearthstone – Heroes of Warcraft" combines his illustration, graphic design, and art direction skills, making for a perfect storm of creativity that he shares with some of the most talented individuals in the video game industry.

AUCTION

HERE IS HOW IT WORKS . . .

BUYERS - Simply register for $1.00, when you get to the auction, and you will be issued a buyer "NUMBER" card which you use to bid. When you want to bid, just hold your card up with the numbers facing the stage, and keep it up as long as you are still interested. If you stay in longer than all other auction attendees, you win! You can pay for each item right away as it is won, or you can put down a deposit to open a "Tab," allowing the auction to store your items for you until the end of the daily session. You do not need a bidder card to visit the consignment store; any person with a convention badge can enter and purchase items.

SELLERS - Payments for your items can be received by you as soon as your items are sold (rounded down to the nearest whole dollar). You can also collect your money anytime up until the Charity Auction which begins Saturday night. After that, you can pick up your money on Sunday or just wait – the auction will send you a check if you can't make it on Sunday. Any unsold items that you fail to collect by Sunday 2 pm will be donated to charity.

Putting items for sale into the Consignment Store costs only $1.00. If you get in early, your item can be on display for up to three full days, and you can choose to lower the price each day (if you want) to entice convention goers to buy your item!

FORMS OF PAYMENT ACCEPTED

Cash
Any major credit card

"Five dollar bid, do I hear ten? Ten over here, ten going once, going twice... sold to the gamer at the Gen Con Auction!"

Need more action in your life? Missing the thrill of the bargain hunt? Want to find a special home for your treasured items? If you answered yes to any of these questions, Gen Con's Auction area is perfect for you! Add to your antique game collection, make room for more memorabilia, or enjoy searching for that extra special deal.

NSDM GAME

WHAT IS THE NSDM?

The National Security Decision Making (NSDM) Game is a fast-paced, challenging political-military-economic simulation of strategy and geopolitics providing insight into cultures, political processes, geopolitical situations, and challenges of nations around the world.

NSDM originated at the U.S. Naval War College and is based on games used by senior U.S. Government officials to explore geopolitical options. It has been presented at the U.S. Air University, National Defense University, Marine Corps Intelligence Activity, the Rochester Institute of Technology, Ashland University, Ball State University, and has been at Gen Con since 1992.

NSDM is part seminar game and part live-action role play. NSDM is intellectually stimulating, vigorously competitive, and unlike any other gaming opportunity you have had.

Each player is assigned a role within a nation's decision making structure, from which he or she can affect the formulation of national policy in that nation in order to advance his or her assigned personal objectives.

Here's the game: *"Players are politicians. You over there; you're the Cabinet. You folks in the corner are the military leadership. Here's your country; you know about it. It's real. The scenario is:* ***it's the world as you know it today. Here are the real issues. Fix them.*** *Start now."*

Do you feel up to the job?

COSTUME PARADE

The ballyhoo begins at 3 pm on Saturday so don't be late. The most incredible, undeniable, spectacle of costumed guys and gals will fill the halls of the Indiana Convention Center and guess what … you can join them at any time during the procession if it strikes your fancy. If anyone tells you otherwise, you can pay 'em no mind cause I'm here to tell you that all of our lucky contestants can come and go as they please. If you've got more questions, we've got the answers for you – just ask us at check in.

PARADE START & ROUTE

For this stupendous parade, find your way to the Hall with the letter "A," then stroll with your fellow revelers upon the Wabash-West corridor, make a right onto Crossroads, and head towards the astonishing Exhibit Hall. Then, fast as a flea, take your immediate left upon the Hoosier corridor and stop right at the entrance onto Capital Avenue/Georgia Street.

Now you know we've got the perfect spot to watch this fanciful happening just waiting for all of you along this route, choose carefully so that your viewing will be out-of-this-world and bring your cameras to memorialize this memory (and take home your very own special souvenir too)!

CONTESTANT INFO

CONTEST BASICS

Costume entries may be simple walk-on-and-pivot displays or may involve a short presentation. Performances are limited to two minutes. You may perform your own speech, drama, song, or other skill, or you can simply model while our emcee narrates text that you provide. Either way, the emphasis of judging is on the *costumes.*

REGISTRATION

Advance registration is highly recommended. The costume contest is limited to 70 entries. If any category receives 18 entries, that category will be closed. Entries will be accepted on a first-come, first-entered basis. When the contest reaches capacity, a waiting list will be created. Entries on the waiting list will be admitted to the contest if a registered entry drops out or does not appear at check-in.

To register, fill out the form below. This form does not register you for the convention—only the costume contest. You must also register for the convention. **A valid convention badge and two $2.00 generic tickets will be required when you sign in at Costume Contest Check-In**. **Cash will not be accepted!**

Emcee Introduction: REQUIRED!! Our emcee will introduce you as you appear on stage. Write a short introduction for yourself that you would like the emcee to read. Type it or write it neatly and attach it to your entry form. This is your chance to impress the judges; include a description of the construction of your costume or a story about the character you're portraying. This description is limited to 100 words. We reserve the right to edit material.

On-site entries: If you must register on site, fill out the entry form (your introduction for the emcee **must be attached** and typed or neatly written) and drop it in the "Costume Contest Entry" box located at the Information Booth by 9:00 a.m. on Saturday. If you miss this deadline, come directly to **Costume Contest Check-In in the 500 Ballroom Foyer** and we'll see if we have room for you.

Contestant Check-In: **All contestants must appear at Contest Check-In. Mailing or dropping an entry form reserves a space for you, but you are not officially registered until you appear at check-in. Contestants who do not appear at check-in (see times below) are considered dropped. Check-in takes about 30 minutes. Your emcee introduction is required at check-in.**

COSTUME CATEGORIES

Choose a category for your costume and check it on the entry form. We reserve the right to create new categories (if the Fantasy category gets 15 ninja entries, for example, we may make ninjas a new category). We won't shift you to a different category. In a case where cross-over is possible, just pick the category you prefer.

- Superheroes / Sci Fi (Robots, aliens, spaceship pilots, heroes, villains, and so on.)
- Fantasy / Historical (Wizards, barbarians, pixies, mermaids, Egyptian slaves, WWII soldiers, Renaissance maidens, and so on.)
- Child (Ages 0–13, all costume types)
- Anime (Any character, creature, or element from any anime source.)
- Groups: Teams of two or more costumers.
- Game / Media Characters (Characters from movies, TV, video games, board games, role-playing games, and so on).
- Professional (To keep the contest fair, you must enter the Professional category if you meet any of the following criteria, regardless of your age: 1) You are a past first-place winner of a Gen Con costume contest or other major costume contest within the past 5 years; 2) Your costume was constructed by a professional in the garment or costume industry, whether it was you or someone else; 3) Your costume was constructed by someone who earns the majority of their living in the construction of costumes or clothing.)
- Pot Luck (Anything not covered above!)

After the winners are announced in each category, they'll be brought on stage briefly for judging in the "Best of Show" category. Everyone is eligible for this judging.

COSPLAY GUEST OF HONOR

Gen Con is excited to announce Ejen Chuang as its first Cosplay Guest of Honor!

ABOUT EJEN

At an age of ten, Ejen Chuang attended his first comic book show in Houston, Texas. In his teenage years he discovered anime and bought comic books until his college graduation, when he promptly packed his belongings and moved to California to pursue a career in photography. Nearly a decade later, Ejen attended his first Anime Expo, and found himself engulfed in the cosplay world.

In 2009, Ejen traveled to six conventions, photographed cosplayers, and self-published his first book, *Cosplay in America*, the following year. In 2013 he successfully launched a Kickstarter campaign to finance his second book, this time photographing behind the scenes, as well as portraits of cosplayers in twenty cities. The second volume, *Cosplay in America V2* is due out summer of 2015.

Ejen currently works as a freelance photographer in Los Angeles. His first book *Cosplay in America* has been mentioned on National Public Radio, MTV Geek, and Boing Boing as well as an exhibition in Los Angeles, CA and New Orleans, LA.

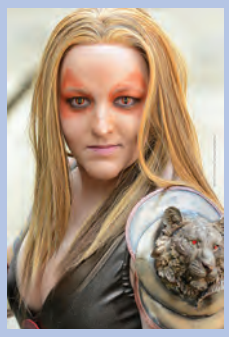
Introducing our Featured Cosplay Talent! Check out their amazing costume creations at our photoshoots and throughout the convention.

ALEXA HEART



Alexa is a cosplayer, sculptor, and 8-bit gamer from Western Kentucky, now based in St. Louis, Missouri. After spending years piecing costumes together and creating her own costumes for movie openings, game releases, and Halloween, she discovered the world of cosplay in 2012 and attended her first convention in 2013. She's probably most well known for her armored version of Cheetara from the Thundercats, but has some big projects debuting this year including Varia Suit Samus and World of Warcraft versions of Ariel and Harley Quinn.

In early 2014, with the support and encouragement of her friends in the geek community, Alexa came out publicly as a transgender female. Since coming out, she has spoken at conventions across the country about diversity and acceptance at our beloved events and in everyday life.

Follow Alexa's Facebook at www.facebook.com/heartandsoulcosplay.

MOGCHELLE

Mogchelle started in cosplay by just being an average geek attending an anime convention in 1999. Her love for the artwork in anime, video games, and comic books made her want to bring the 2D images from the pages and screen to real life. She's also been featured in several national and international magazines, and several online entertainment news sources for her costuming. Over the years she has won countless awards internationally for both craftsmanship and performance on the masters level. Conventions across the country often ask Michelle to present panels/workshops on various topics within Cosplay. They vary from lightweight armor creation, molding and casting, wig design, wings, etc. More are added every year, in the effort to spread her love for Cosplay. She has done work for The Children's Museum of Indianapolis, Manga Entertainment, Studio Ironcat LLC, and video game, comic book, and anime publishers across the country.

You can follow her on Facebook at www.facebook.com/mogchellecosplay.

SUPER KAYCE

Kayce Super known as SuperKayce is a cosplayer, artist, gamer, and all around pop culture junkie from Indianapolis, Indiana. She began her journey into the convention world in 2009 when she attended her first Superman Celebration! During the last several years she has definitely expanded her knowledge of costume making as well as the convention scene but she still has a ton to learn! She has won: Fan Favorite at the Superman Celebration 2009, 2nd runner at MetroCon 2011, 1st Place Group at Derby City Con 2012, etc! Outside of costuming for conventions Kayce has completed and worked closely with several local charities such as SOSI, Heroes fighting against Cancer, Justice League of America Indianapolis, Superhero Training Day by Fishers Library, etc. She has created nearly a dozen costumes such as Stargirl, Dawnstar, Supergirl, Wondergirl, Batgirl, Astrid, Ice, Firestar, Stephanie Brown Robin, Ms. Marvel, MegaMam', and many more!

MEDIA GUEST OF HONOR
MARINA SIRTIS

Marina Sirtis gained worldwide acclaim as the sexy and cerebral "Deanna Troi" of the successful *Star Trek: The Next Generation* TV series and *Star Trek* feature films. Over the life of the role, Marina skillfully transformed the popular character from reserved beauty to delicious diva by inserting her own trademark wit and comedic timing.

Marina's dramatic and comedic range has since created opportunities on stage, television, and feature films far beyond the *Star Trek* franchise.

Her feature films include the Academy Award-winning Best Picture *Crash* for which she received a SAG Award (Ensemble). On the small screen, she starred as in the SCI-FI Channel's movie *Grendel* as well as numerous guest-starring appearances on shows like *Grey's Anatomy, Make It or Break It, Young Justice, Three Rivers, Without a Trace, Girlfriends, The Cleveland Show, The Closer* and the UK's *Hobie City*. Films Include *31 North 62 East, The Grudge 3, Green Street Hooligans 2, Otis E.,* and *Shadows From The Sky*.

Marina was born in London, England to Greek parents who initially did not want her to become an actress. After high school, she secretly applied to the prestigious Guild Hall School of Music and Drama. After graduating, Marina earned her acting chops performing on British television and stage. In 1986, Marina moved to Los Angeles hoping to make her mark in American film and television.

After six months, Marina was ready to call it quits and head back to the UK. Legendary *Star Trek* creator Gene Roddenberry would change her mind. He was casting for *Star Trek*: *The Next Generation*. After what she thought was a terrible audition, and just moments before boarding a plane for London, Marina got the call that would launch her career. Producers wanted her for the role of "Deanna Troi."

She lives in Los Angeles.

EVENTS

Marina will participate in several **autograph signings** during the following dates/times ...

- Saturday, 11 am-2 pm

MEDIA GUEST OF HONOR SUMMER GLAU

Summer Glau is an American prima ballerina and actress, who is best known for her iconic characters River Tam in Joss Whedon's TV series *Firefly* and the feature film, *Serenity* and Cameron Philips in *Terminator: The Sarah Connor Chronicles.*

Summer got her start in Joss Whedon's much acclaimed TV series *Angel* playing a cursed ballerina in the 2002 episode "Waiting in the Wings". Contributing to her Sci-Fi credit were roles in USA's *The 4400* as Tess, a Schizophrenic that can control others with her mind and followed it with a return to the Whedon-verse in *Dollhouse* as Echo's long lost nemesis, Bennet Halverson.

Summer revisited TV screens in 2011 in NBC's highly anticipated *The Cape* as Orwell, an investigative blogger who teams up with Vince/The Cape in order to fight crime and restore justice. Most recently Summer did an impressive guest appearance on *Alphas*. It has just been announced that she will now be seen in the CBS TV pilot "*Scent of the Missing*" as Sedona with Tricia Helfer.

FIND EVENTS AT GENCON.COM

For the most current event info, go to gencon.com. The Find Events link has event details, ticket information, and everything else you'll need. The website features a new mobile-friendly version of the site this year to make browsing on the go even easier!

DON'T HAVE AN EVENT TICKET? SHOW UP WITH GENERICS

Many events can squeeze in a few extra players and not all players show up for their games, so if there's an event you *really* want to play but it's sold out, you might want to get a few generics and see if you can get in. Generic tickets can be used for any event with open space. You just need to use an equal value of generics for the event, so if it a game costs $4, you can use 2 generic tickets ($2 each) to play in it.

Please remember that generic tickets can only be refunded for system credit.

HOW TO READ THE EVENT CHARTS

Events are listed in order of their start day and time, event type, and then title.

The description for each event lists the title, detailed description, maximum number of players, the GM or host of the event, minimum age and experience required, and whether materials are provided or you will need to bring your own.

REPEAT EVENTS

Events that are run multiple times only have their description listed once. Later sessions refer back to the original listing for full details and descriptions.

For example, if you found an event that said "For description, see first occurrence on Thursday at 8 am" that means the event is being repeated and you will need to flip back to get the full description.

AGE REQUIRED

The minimum age for an event is self-reported and enforced only by the GM of that event. You can use this to gauge what events may be suitable for you or your family, but Gen Con is not responsible for the content of games that other organizations and individuals run at the convention. Remember to take the age rating into consideration before joining an event.

EXPERIENCE REQUIRED

This indicates how much experience you will need with the game to play in the event. "None" indicates that rules will be taught as part of the event, so it should be completely suitable for newcomers. Please take careful note of the experience required for an event – some games do require extensive understanding of the rules and will not be paused to explain the rules.

MATERIALS PROVIDED

If materials are provided, you do not need to bring anything to the game (though it's *always* a good idea to bring a pencil, paper and some extra dice). Characters, game pieces, miniatures, maps, etc. should all be provided for you by the organizer. If materials are *not* provided, then you will need to bring your own armies, characters, cards or even the whole game.

LOCATION

This column lists the building, room and table (if applicable and in that order) that the event will be held at. ICC stands for "Indiana Convention Center." *Hyatt : Studio 1 : 1--2* means that event is held on tables 1 and 2 in the Studio 1 room in the Hyatt hotel, for example.

Some rooms or table numbers may also include a color (*White 13--17*) or company name (*Mayfair Games*). This refers to a region within a larger room (such as a big hall) which should be clearly indicated on a map or with signs or tablecloths in the area itself. If an event lists an HQ instead of a table number, you need to check into that HQ before your event to find out exactly what table your game is at.

THOUSANDS OF EVENTS TO CHOOSE FROM – BUT THAT'S NOT ALL!

For a complete and up-to-date listing of all events, you will want to visit the web site: **gencon.com/events**

If you have any questions or need to confirm event details, ask at any Event HQ.

WEDNESDAY EVENTS

There are a ton of **completely free games in Union Station**. Events will run all day, but most of them will take place between 6 pm and midnight. **Trade Day** events for retailers and educators are in the JW Marriott again, and a schedule is available at the HQ there.

SOLD-OUT EVENTS

Many sold-out events are not listed, though many small events were kept (such as RPGs, or smaller games from premier groups) to allow for replacement players, if needed. **If you don't see many events for a popular game, they might have filled up and you'll want to check online** for times when you can show up with generics and try to squeeze in if someone doesn't show.

LATE EVENTS

New events continue to be submitted right up through the show, so check online for the latest additions. The games you were looking for may have simply been submitted late. **By the time the convention starts, they may be a thousand more events** that didn't make it in time to be included.

EVENTS & UPDATES

Events may be canceled, moved, or changed between when the program guide is printed and the convention itself. The web site is always the most current and accurate listing of events.
